### WYC Reciprocity Policy

Wilson Yacht Club (WYC) is pleased to accommodate cruisers from reciprocating yacht clubs.

There are two guest docks available on a first-come first-served basis and additional slips are frequently available when our members are away from the club. Unfortunately we are unable to accept docking reservations. Our boats range from 22' to 34' and the slips are sized accordingly.

When you arrive, ask any member for a slip assignment and for any other assistance needed. Please present your club's current reciprocal membership card and sign in at the guest register (located on the widow's walk deck) promptly. Be certain that you and your crew read and understand the club rules that are posted at the guest register. We especially request that dog owners respect our rules regarding the control of their pets.

Water and limited electrical service are available dockside (some 30A). Guest WIFI is available and login details are posted in the clubhouse on the bulletin board. The clubhouse kitchen and washrooms are open to guest boat crews and a unisex shower facility is also available. Because of New York State law, the bar is only open to guests when members are present.

Restaurants and groceries are available in the village of Wilson, an easy one-mile walk from WYC. Ice is available, for a fee, in the clubhouse.

WYC does not normally charge a fee to guest boats from reciprocating clubs. However, a box will be provided to allow donations. We limit guest stays to two nights unless extreme weather or mechanical breakdowns prevent scheduled departure date. We respectfully request equivalent privileges for our members at your club.

We look forward to seeing your members over the coming season.

Sincerely,

Rich Greenland, Commodore

Wilson Yacht Club
